

Good Samaritan Appeal

Jesus was asked
how to gain
eternal life

His reply,
to love one's
neighbor as oneself
begged another question:

Who is my
neighbor?

Your generous response to our Good Samaritan Annual Appeal makes a difference by:

- Connecting women in crisis-pregnancies with resources that allow them to make informed decisions and plans
- Helping overwhelmed new parents learn effective parenting skills
- Offering consistency and support to children that cannot remain with their families
- Providing counseling, medical exams, and legal help for child sexual-abuse victims and their families
- Easing access to health care and other services for our low-income Behavioral Health Counseling clients
- Helping those battling mental illness, addiction, or substance abuse to face everyday challenges
- Assisting ex-offenders in securing proper identification, housing, and employment—enabling them to rebuild their lives
- Ensuring that struggling families and elders have sufficient food
- Providing respite support for families straining to care for frail or infirmed loved ones
